

ANNUAL REPORT 2023-2024

Taxashila Samajika Hagu Mahila Abhivraddi Sanasthe(R)

Taxashila Samajika Hagu Mahila Abhivraddi Sanasthe(R), Karadi is dedicated to holistic community development with a focus on biodiversity conservation, ethnobotany, and traditional medicine practices. Our vision is to create a scientifically-grounded, nature-based progressive society. We strive to promote healthcare services in rural areas, enhance educational opportunities for women, children, and those with specific learning disabilities, conduct awareness programs, facilitate sustainable development, and foster community participation and empowerment. Our mission is to empower rural communities through education, healthcare, and sustainable development initiatives, ultimately contributing to a more just and equitable society.

We believe in the power of traditional knowledge and its role in fostering a healthy and sustainable future. Taxashila Samajika Hagu Mahila Abhivraddi Sanasthe(R) works to preserve traditional medicinal practices, promoting the use of natural remedies and herbal treatments while ensuring their safety and efficacy through scientific research and collaboration with local communities.

President's and Secretary's Messages

President's Message

As the President of Taxashila Samajika Hagu Mahila Abhivraddi Sanasthe(R), I am proud to lead our organization in its mission to uplift communities through biodiversity conservation, ethnobotany, and traditional medicine. We are committed to fostering a progressive society grounded in scientific knowledge and respect for nature.

Secretary's Message

As the Secretary of Taxashila Samajika Hagu Mahila Abhivraddi Sanasthe(R), I am dedicated to working alongside our President to empower communities, particularly women, children, and individuals with specific learning disabilities. Our commitment to positive change drives us to deliver healthcare services in rural areas, promote education, conduct awareness programs, facilitate sustainable development, and empower individuals to participate in and contribute to their communities.

Mission, Vision, and Objectives

Empowerment

Our mission is to empower marginalized communities, especially women, through education, healthcare services, and sustainable development programs. We believe in fostering self-reliance and creating opportunities for all.

Biodiversity conservation, Ethnobotany and traditional medicine practice

Providing information to the next generation in a scientific manner.

Holistic Development

Building a progressive society with a foundation rooted in nature and scientific principles.

Our objectives are to promote healthcare services in rural areas, enhance educational opportunities for women, children, and individuals with specific learning or intellectual disabilities, conduct awareness programs on health, education, and the environment, facilitate sustainable development, and foster community participation and empowerment.

AYUSH SEVA GRAM: Promoting Traditional Medicine

This project, funded by the IEC state sector scheme for SCSP/STP grants, targeted four villages in Bagalkot district:

Mudhol - Belagali

Rabakavi banahatti - Aalagoor

Guledgudda - Hanapur L.T

Bagalkot - Simikeri

FREE AYUSH HEALTH CHECKUP AND TREATMENT CAMP

Location

The camp took place in various locations across the Bagalkot district, including Bagalkot city and villages like Badami, Neelagund, and Kuligeri.

Beneficiaries

The initiative served 1500 students from five residential hostels in the Bagalkot district.

Services Offered

The program provided free checkups, treatment, and medicines, along with education on traditional food, healthy lifestyle practices, yoga, and hygiene.

Funding

The program was funded by the District Ayush office, Bagalkot, with a grant of 50000/-.

DYSLEXIA AWARENESS PROGRAM

Program Overview

This program, organized by TSHMAS-K with the coordination of Lions club Basaveshwar nagar, Bangalore, aimed to educate teachers about dyslexia. Special education teachers, Smt. Krishna Ranganathan and Smt. Seeta Krishnamurthi, were briefed on the condition, its types, identification techniques, and potential solutions. The program also explored societal perspectives, along with the roles of teachers and parents in supporting children with dyslexia. Information was provided about the criteria and facilities available under government schemes for dyslexic children.

Guest Speakers

The event was graced by esteemed guests including Dr. Surendrs Kumar, Chairman of the Political Science Department at Jyanabharati University, Bangalore, G.N. Sadananda, President of Lions club Basaveshwar nagar, Bangalore, and Raj Acharya, a renowned poet and columnist. The program celebrated notable individuals who had overcome dyslexia and achieved remarkable success.

Program Details

The event, held at the Sociology Department of Jyanabharati University, Bangalore, brought together 50 participants and featured two resource persons. It took place on October 11th, 2023, and ran for one day. The program was locally funded and the total expenditure was 6250/-.

Women Empowerment Through Tailoring Classes

Program Objective

To uplift women in Karadi village by conducting tailoring classes, aiming to make them independent and self-reliant.

Participation

Numerous women participated and benefited from the program, gaining valuable skills.

Empowerment Focus

Encouraging women to join the mainstream of society and providing guidance on available schemes.

Overcoming Barriers

Addressing challenges faced by women due to lack of education and support.

Effects of Plants on Human Health in Bangalore

1

Documentation

Taxonomists documented plants in Bangalore's Mahalakshmi Layout and Rajajinagar parks.

2

Research Focus

The research focused on analyzing and documenting the positive and negative effects of plants on human health and the environment.

3

Classification

Trees, plants, shrubs, creepers, and climber species were classified by family.

4

Research Team

A four-member team, including 1 PhD, 2 MSc persons, and 1 Project coordinator, studied the beneficial and adverse effects of plants.

5

Funding

The project received Rs. 261,600 from local donors over a one-year period.
