Leadership Message

President's Message

As we reflect on the past year, I am immensely proud of the strides we have made in improving the lives of our community members. Our initiatives, particularly the AYUSH Seva Gram program, have brought essential healthcare services to underserved areas. This year's efforts have laid a strong foundation for continued growth and impact. We are committed to expanding our reach and deepening our impact in the coming years.

Secretary's Message

The year 2022-2023 has been a year of significant achievements for our organization. Our programs have touched the lives of many, and the support from various grants has been instrumental in our success. The Dyslexia Awareness Program in Bengaluru is one such example of our commitment to addressing diverse community needs. We look forward to building on this momentum and achieving even greater milestones.

AYUSH SEVA GRAM

11 villages of two districts (Gadag&Baglkot),were selected under the scheme IEC of state sector. For the grant of SCSP/STP.The main objective of the scheme is to promote the herbal medicine practice among the community and involved more number of Children, Pregnant woman, Anemia and Elderly persons. More than 250 villagers were benefited in every village.

The communities were educated about the healthy practices and advantages of traditional food items used locally and their medicinal properties, also awareness was given about prevention of diseases, cleanliness, hygiene, yoga , physical and mental fitness.

Ayush doctors, Nurses, NGO staff and Volunteers were visited each and every house of the village and have done medical checkup, and by distributing the medicinal plants free of cost, aware the people about most valuable locally available medicinal plants , which are used in primary health care system, also promoted to grow the medicinal plants around the premises of house. Asha and Anganavadi workers also participated in the program.
